The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best

interests of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 2. Derivative Action. The Association shall indemnify any person who was or is a party or who was or is threatened to be made a party to any action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a director, advisory director, member of the design or other committee, officer or employee of the Association or of any entity a majority of the voting stock of which is owned by the Association, or is or was serving at the request of the Association as a director, advisory director, member of the design or other committee, officer or employee of another association, corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Association unless and only to the extent that the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Section 3. Costs Indemnified. To the extent that any person who is or was a director, advisory director, officer, member of the design or other committee, or employee of the Association or of any entity a majority of the voting stock of which is owned by the Association, or who is or was serving at the request of the Association as a director, advisory director, officer or employee of another association or corporation, partnership, joint venture, trust or other enterprise, has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in this Article, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith. Any other indemnification under this Article shall be made by the Association only as authorized in the specific case upon a determination that indemnification is proper in the circumstances because the applicable standard of conduct set forth therein has been met. Such determination shall be made (a) by the Board by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (c) by the Members of the Association.

Section 4. Time of Indemnification. Expenses incurred by a director, advisory director, officer or employee in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the director, advisory director, officer or employee to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Association pursuant to this Article VIII.

Section 5. Nonexclusive Rights. The indemnification and advancement of expenses provided by or granted pursuant to the other subsections of this Article VIII shall not be deemed to be exclusive of any other right to which those seeking indemnification or advancement of expenses may be entitled from the Association or any other entity under any other bylaw, statute, agreement, provision of the Articles, vote of the Members or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Member and shall inure to the benefit of the heirs, executors and administrators of such Member. However, any amount actually received as the proceeds of any such other indemnification shall be deducted from the amount, if any, which he may be entitled to receive pursuant to this Article VIII.

Section 6. Insurance. By action of the Board, notwithstanding any interest of any Members in the action, to the fullest extent permitted by law the Association may purchase and maintain insurance, in such amounts and against such risks as the Board deems appropriate, on behalf of any person who is or was a director, member of the design or other committee, advisory director, officer, employee or agent of the Association, against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have the power or would be required to indemnify him against such liability under the provisions of this Article VIII, the Articles or the laws of the State of Kansas.
